Doing the rounds

Schedule

These interactive and free to attend presentations showcase various, complex cases seen in practices

Speakers will be presenting actual cases they encountered and will be presented as they discuss diagnosis, treatment, any complications they came across and how they resolved them.

Each monthly topic will also provide various hints and tips on what to do should you encounter similar cases.

Subject	Date	GMT Time	Speakers
CCL disease	Monday March 15th	1.00pm	 Bruce Nwadike  Karl Kraus
Medial patellar luxation	Friday April 23rd	8.00pm	 Bruce Nwadike  Sarit Dhupa
